8th April 2009

Secretary
Competing Urban Fire Brigade
(As Addressed)

Dear Secretary,

Judges & Officials School, Urban Championship - Saturday 3rd October

The Association will be conducting a Judges & Officials School on Saturday 3rd October prior to the start of the next competition season. The School will be conducted on the same lines as previous years which have been successful. Participants should allow for their attendance from 9.00am to approx 4.30pm.

The Association is extremely pleased at the response in previous years to these Schools and trust that they will continue to be beneficial to all judges and officials. The Association is keen to encourage additional firefighters to become involved at competitions and Championships, and urges all brigades to continue to support this particular aspect of our service.

If your brigade has members who have not attended a previous Judges School, or new members interested in acting at future State Championships, please encourage them to nominate for the School. Experienced judges are also encouraged to attend.

Urban Coaches Meeting - Sunday 4th October

The Association's Urban Competition & Rules Committee intends to hold a meeting with brigade competition Coaches at Fiskville on Sunday 4th October 2009 commencing at 10.00am.

The Association encourages all Coaches to make the effort to attend on the day to discuss a range of competition issues and any others which may improve our State Championships and local competitions.

Attached is a nomination form for completion by members interested in attending either the School or Coaches Meeting. If more than one representative wishes to attend, just photocopy the form and return to the Association by the **closing date – Friday 14th August 2009**.

ALLAN MONTI
Executive Officer
