

VFBV Region 13 Council
Sec. June Cabena
16 Owen Street, Kallista Vic 3971

18 April 2009

To All Brigade Delegates and Secretary's,

Our next Regional Council Meeting will be held on Sunday the 19th April 2009 at Lilydale Fire Station at 0900 hrs.

This will be an important meeting, and we will be extending the meeting time to include lunch, and finish by 1430 hrs. (or earlier).

The reason for this change is to consider items from Brigades of concerns arising from our recent fires that impact on Volunteers.

This is not a debrief session, but we want to address key issues that we may forward to VFBV for inclusion into their submission into the Royal Commission.

VFBV are preparing their submission on behalf of all Brigades and volunteers, and have engaged Ex Captain Peter Davis as Project Officer for this task.

Again, we need the key issues that your Brigade feels should be submitted to the enquiry. We need to provide our thoughts that will help to make our communities as safe as possible, and provide any details that will help to improve the safety of our members when undertaking their task.

Issues can be submitted to the Region 13 Council prior to April 19 by e-mail to geoffpeacock@bigpond.com or watson.network@optusnet.com.au

If a Delegate is unable to attend, please ensure your Brigade is represented at this meeting. We need your support if we want to achieve any thing from this enquiry.

Bill Watson & Geoff Peacock
